(a) *Fees.* Pursuant to the authority contained in 12 U.S.C. 481 and 482, the Office of the Comptroller of the Currency assesses a fee for:

(1) Examining the fiduciary activities of national and District of Columbia banks and related entities;

(2) Conducting special examinations and investigations of national banks, District of Columbia banks, and Federal branches or Federal agencies of foreign banks;

(3) Conducting special examinations and investigations of an entity with respect to its performance of activities described in section 7(c) of the Bank Service Company Act (12 U.S.C. 1867(c)), if the OCC determines that assessment of the fee is warranted with regard to a particular bank because of the high risk or unusual nature of the activities performed; the significance to the bank's operations and income of the activities performed; or the extent to which the bank has sufficient systems, controls, and personnel to ade-

(ii) *Additional amount for independent trust banks with fiduciary and related assets in excess of \$1 billion.* Independent trust banks with fiduciary and related assets in excess of \$1 billion will pay an amount that exceeds the minimum fee. The amount to be paid will be calculated by multiplying the amount of fiduciary and related assets by a rate or rates provided by the OCC in the Notice of Comptroller of the Currency Fees.

(iii) *Surcharge based on the condition of the bank.* Subject to any limit that the OCC prescribes in the Notice of the Comptroller of the Currency Fees, the OCC shall adjust the semiannual assessment computed in accordance with paragraphs (c)(1)(i) and (ii) of this section by multiplying that figure by 1.5 for each independent trust bank that receives a composite rating of 3 under the Uniform Financial Institutions Rating System (UFIRS) at its most recent examination and by 2.0 for each bank that receives a composite UFIRS rating of 4 or 5 at such examination.

(2) *Trust banks affiliated with full-service national banks.* The OCC will assess
